# About **NTEN**

## **OUR MISSION**

We are creating a world where missions and movements are successful through the skillful and equitable use of technology.

## **OUR VISION**

We build transformative power by connecting people who are putting technology to work for social change. We strengthen their individual and collective capacity for doing good by offering expert trainings, researching effective approaches, and providing places where relationships can flourish. We relentlessly advocate for the redesign of the systems and structures that maintain inequity.

---

# Nonprofit Tech Readiness

A six-month cohort program focused on nonprofit professionals interested in boosting technology management and planning in their organizations.

# Program Goals

Elevate Technology Capacity

Best Practices

Planning

## **Individual**

Are you interested in building up your skills and leadership with technology? Then NTR is for you!

- Any job type and title
- Any department
- Support and authority to move a tech project forward
- No board members or volunteers as the lead participant

---

# What Participants are Saying

“My participation in the NTR program has absolutely resulted in an increased capacity to strategically implement the use of technology for my organization.”

“NTR particularly expanded my knowledge in tech equity and inclusion and provided tangible tools to put those values into practice. Overall, I feel like I am approaching our data and tech work with more confidence and an equity lens.”

“The program gave me the courage and vision to start a tech project, virtually on my own, to find a solution for electronic record-keeping. That project is now well underway.”

---

# Overall Schedule

Plan for a six-month time commitment, with 8–10 hours per month for program work.

## **Orientation**

*October 2023*

Ask questions and explore the online learning and community space.

## **Sessions**

*October 2023 – March 2024*

Take part in educational and mentorship activities.

## **Conference**

*March 13–15, 2024*

Attend the 2024 [Nonprofit Technology Conference](#) virtually or in Portland, Oregon, for free.

## **Celebration**

*April 2024*

Celebrate achievements and hear from inspiring guest speakers.

---

# Session Overview

You'll be supported as you move your customized technology project from the idea stage to a full-blown action plan, and get the guidance you need to implement the project. You do not need to have a project decided or in mind when you start.

## **Technology projects**

Advice and mentorship, including help with successful planning, culture change, and implementation.

## **Open office hours**

Drop-in opportunities to get direct support.

## **Live educational series**

Training sessions that cover the core competencies of technology planning, budgeting, implementation, and evaluation.

## **Self-paced educational series**

Sessions that cover other competencies and best practices.

## **Leadership development**

Facilitated process for discussing feedback and practicing and modeling experiences you can replicate at your organization.

## **Interactive workshops**

Working sessions to build your project planning skills and develop connections with your peers.

# Live Course Series

# 24NTC

Nonprofit Technology  
Conference

Hybrid option (in person &  
online)

100+ sessions

Access to all recordings

Complimentary registration

The screenshot shows the nten website homepage for the 24NTC conference. The navigation bar includes the nten logo, links for CONNECT, LEARN, CHANGE, and GATHER, and a user profile section with 'ABOUT NTEN', a search icon, 'HI, JEREMY', a user icon, and a shopping cart icon. The main banner features the headline 'Come to NTC!' in large white text on a dark blue background, followed by 'Nonprofit Technology Conference' and 'Portland, Oregon and virtual March 13–15, 2024'. Below the banner, there are navigation links for HOME, GATHER, and NTC. The main content area has a sub-headline 'Where community flourishes and knowledge grows' and a paragraph describing the conference as an annual gathering for social change. A light blue call-to-action box on the right says 'Get 24NTC updates' and 'Subscribe to NTEN's emails >'. The nten logo is also visible in the bottom left corner of the overall image.

### Where community flourishes and knowledge grows

NTEN's conference – often referred to as the NTC – is the annual gathering of people who want to make the world a better place through the skillful and equitable use of technology. At the NTC, you'll learn essential nonprofit technology best practices while connecting with a community that shares your commitment to social change.

**Get 24NTC updates**  
Don't miss key deadlines and exciting NTC announcements. We'll also send you nonprofit technology community news.

# Training Center

The screenshot shows the NTEEN Training Center interface. At the top, a blue header contains the text "Customer Service Tools" and "Training center" with a sub-header "It's the home for all your NTEEN courses and cohort-related online learning content". Below this, a welcome message states: "Welcome to the Training Center! The content becomes available once it's opened, and you are enrolled, not at the time of registration." The user profile for Jeremy Garcia is shown with an achievement count of 0. A progress table indicates 26 completed, 70 in progress, and 68 not started courses. A search bar and a "Clear All" button are present. The "NTR Community Space" section encourages users to connect with peers. The "Cohort Bundles" section, currently showing 7 bundles, lists three active cohorts: Jewish Agencies NTR (Spring 2022) at 18.00% completion, Alchemy Tech NTR (Fall 2022) at 29.00%, and Ford Foundation NTR (Fall 2022) at 28.00%. Each cohort card includes a timer and a progress indicator.
